

*"Angels - Your Powerful Guides Guardians and
Friends
- Who are they and how can you contact them"*

You only need to look around you to know that we live in very challenging and perilous times, personally and as a planet. But from the beginning, God has provided us a Powerful and Practical Solution and a Way through – through His Angels.

Do you know that Angels can provide you with invincible protection, unfailing guidance, unwavering friendship? Do you want to befriend these very real and magnificent divine Presences, mighty warriors and defenders who are waiting for you to speak to them and give them the word?

This presentation is about re-discovering our relationship with angels; re-establishing our innate, intimate friendship that we have had with them from the beginning but have forgotten, much to our loss.

Learn:

- How we can contact these fiery and powerful friends of light for protection, healing and blessing.
- How they champion the cause of light within you, from your health, your finances, your career, your relationships.
- How to protect yourself from the danger and darkness that may be besetting you and your loved ones.
- How to command them to manifest the God Solution to the pressing challenges of personal daily life and those of our planet!

Experience the healing power and presence of Angels. Let them teach you how to live a Victorious life!
