Understanding Yourself, Part 3

Have you ever wanted to really know and understand yourself? Self knowledge is fundamental to a life of integrity and self worth. It leads to a profound understanding of who you are, why you are the way you are, the challenges and tests that you face in life and how to deal with them. You’ve heard of the old adage, “Man, know thyself.” The ascended masters would add to that saying, “Man, know thyself as God.” You have a chance to do just that in Part 3 of the Understanding Yourself seminar as you discover:

- The antidote to overcoming your human imperfections
- What is “soul energy” and how to increase it

- How to bring more joy into your life
- How you can release tied-up energy in the subconscious mind
- The traits of the ego and the positive affirmations you can give to counteract it.

Elizabeth Clare Prophet expounds on these topics and much more based on the teachings of the ascended masters Kuthumi, Lord Lanto and God Meru recorded in their best-selling book Understanding Yourself. Come join us for a live-in retreat designed to help you not only to know yourself, but to know yourself as GOD.

SUMMIT UNIVERSITY 2011, AUSTRALIA

Special One Day Workshop “On the Flame of the Mother – Pursuing the Guru-Chela Relationship with Guru Ma”

Teachings on Yeshe Tsogyal, Mother’s remarkable Tibetan embodiment as the foremost disciple of Padma Sambhava. Includes instruction on the Golden Mantra of Padma Sambhava—a mantra for a time of great troubles. Landmark dictation by Padma

Sambhava to his disciples in this age. With special gift: SkyDancer – The Yeshe Tsogyal Coloring Book for Children. (The young at heart can also color-in as we ponder the message of the workshop)

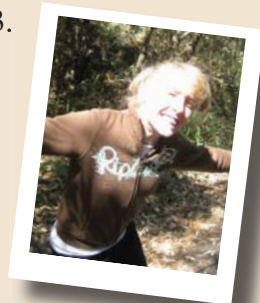

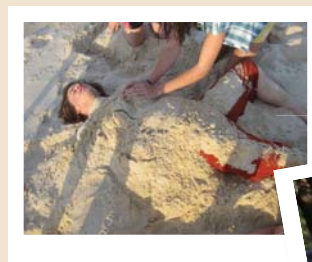

Champions of Light: Conquer the Dark Side of Life with Durga, Mighty Astrea and Archangel Michael

What is life like on the other side of the veil? What is the difference between the etheric plane (the “heaven world”) and the astral realm (likened to the depths of “hell”)? What is the truth about ghosts, discarnates and malicious spirits that roam the astral plane, and how can you protect yourself and your loved ones from their unseen influence? These questions and more will be answered during the second part of our Summit University retreat. Understand the strategies of Light and darkness, and learn how by the power of the Spoken Word, with the help of Archangel Michael, you too can be a Warrior and Champion of Light.
